About Emerging Futures CIC

Emerging Futures began in 2014, born from a belief that recovery is possible for everyone, and that those who have walked that path should lead the way forward.

From modest beginnings, Emerging Futures expanded across the UK, to a growing and diverse team of staff and volunteers, many with lived experience themselves. Offering support to people affected by homelessness and drug and alcohol use, Emerging Futures has helped thousands through housing, coaching and therapeutic programmes.

Using compassion and courage, Emerging Futures believes that recovery is not just a word, it's a promise that anything is possible. Together, we're working for a world where everyone has somewhere to live, something to do, and someone to love.
